A more beautiful ride can hardly be imagined. The road, perfect macadam, winds through charming rolling country including a remarkable climb over the Helderberg Mountains. This ascent however, is in no way a tedious or difficult one, owing to the splendid grade construction. A medium powered 4-Cylinder car will make it on the "high." Road directions as follows:

Follow car tracks up State Street and Washington Avenue to Lark Street, trolleys branch to left. Follow out Delaware Avenue (continuation of Lark Street) to end of trolley line. Fine asphalt 1-4 mile from end of street State Road begins. Right fork down hill, keep on State Road through Delmar, Unionville, Clarks-ville over the Helderbergs to Rensselaerville. 27
